

ABSTRACT

A method of solidifying liquid oils is disclosed. The method is effected by (a) mixing at least one liquid oil and at least one solid fat, thereby forming a mixture of the at least one liquid oil and the at least one solid fat; and (b) transforming the mixture into a homogeneous consistency. Further disclosed are compositions of matter having a semi-solid texture including at least one liquid oil and at least one solid fat and uses thereof in therapy and cosmetic applications.
